Brf MUNKHÄTTAN

ENGLISH EDITION

Dear members, it's not often one sits in June hoping for rain! But that is what's really needed. It has been dry and hot, which has been lovely for many, but also a pain for others. It has definitely been a pain for our yards, resulting in yellow lawns, dying flowers and unusually high weed growth. To get rid of the latter we have organised for weeding, the rest only rain can fix. If you are interested in gardening you should keep reading, there is something aimed at you further down. All the best, and hope you all have a really nice summer!

A CALL TO ALL MEMBERS

Firstly; It has become popular to play ball games on the lawn at Rödkullastigen, which is all well as long as the neighbours who live there are not disturbed. However, we encourage older children to go for the football field at Heleneholmsverket. Secondly; Problems have arisen in the association's sewage system. We want to urge all members to clean their water locks and floor wells, as well as remind you that only toilet paper can be flushed in the toilet.

A TRIP TO ÖSTERLEN

This year's bus trip will take place on the 2nd of September, when we go to different parts of Österlen. An application form will be sent to you in your mailbox. All members are welcome!

ARE YOU INTERESTED IN GARDENING?

Then we want to hear from you! We need help with ideas and inspiration for how our outdoor environments should look. Should we plant cultivation boxes? New plantation beds? Contact us for more information about our newly formed gardening committee!

LAUNDRY ROOM UPDATE

It has been a long time coming, but finally the contract for the laundry rooms is ready! Work will be carried out by Sydbab, in w.35. Continuous information will be posted on our website, under the tab "Att bo i Munkhättan".
